	)	NECESSITY

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Application of A-1 Transfer and Storage Company, Inc. (“Transferee” or “A-1 #1”), whereby the Transferee seeks certain relief in the nature of the approval of the transfer of stock and of the Certificate of Public Convenience and Necessity No. 2399 from A-1 Transfer and Storage, Inc. (“Transferor” or “A-1 #2”) to A-1 #1.

Subsequent to the initiation of this proceeding, the Commission Staff instructed that a Notice of Filing be published in certain newspapers of general circulation in the State of South Carolina. The Notice of Filing indicated the nature of the Application and advised all interested parties desiring to participate in the proceeding of the manner and time in which to file the appropriate pleadings. Affidavits of publication were filed with this Commission. No protests or Petitions to Intervene were filed with the Commission.

Upon consideration of the merits of the verified Application, and the documentary evidence attached thereto, the Commission finds that: (1) the transfer of the Certificate

will not adversely affect the service to the public authorized by said Certificate; (2) the Transferee is fit, willing, and able to perform such service to the public under said Certificate. We waive the provision of evidence listed in 26 S.C. Code Ann. Regs. 103-135 (4) (3) (Supp. 2011), as per the terms of 26 S.C. Code Ann. Regs. 103-101(2) (Supp. 2011).

The Commission also finds and concludes that the proposed transfer of the stock and of the Certificate from the Transferor to the Transferee is in the public interest, and that the relief sought in the Application for transfer should be approved.

IT IS THEREFORE ORDERED:

1. That the proposed transfer of stock and of Certificate of Public Convenience and Necessity No. 2399 from the Transferor to the Transferee be, and hereby is, approved, and that the Certificate is being transferred incident to the sale of stock.

2. That A-1 #1 file the proper license fees and other information required by S.C. Code Ann. Section 58-23-10 et seq. (Supp. 2011) and by S.C. Code Ann. Regs. 103-100 through 103-241 (Supp. 2011) of the Commission's Rules and Regulations for Motor Carriers, and 23A S. C. Code Ann. Regs. 38-400 through 38-503 (Supp. 2011) of the Department of Public Safety's Rules and Regulations for Motor Carriers, within ninety (90) days of the date of this Order, or within such additional time as may be authorized by the Commission.

3. That upon compliance with S.C. Code Ann. Section 58-23-10, et seq. and the applicable provisions of S.C. Code Ann. Regulations, a Certificate shall be issued to A-1 #1, authorizing the motor carrier services granted herein.

4. That this Order shall remain in full force and effect until further Order of the Commission.

David A. Wright, Chairman
